Town meeting

There will be a town meeting in South Bay tonight at 7 p.m., says Mayor Clarence E. Anthony. The meeting is planned to allow citizens and city officials to discuss city projects and to give citizens the opportunity to comment on the goals and objectives of the city.

City officials agreed at the commission meeting November 3 that citizens and police officers should meet to discuss improving relations between officers and the public. The meeting is prompted by a confrontation last month between officers and people throwing rocks and bottles.

November is start of dry season

November marks the start of the dry season for South Florida with average rainfall amounts below normal. District-wide rainfall averages totaled 1.40 inches or 30 percent of normal for October, the transition month between the wet and the dry season.

According to the South Florida Water Management District, ground water levels are in the normal range and the level of Lake Okeechobee is 15.99 feet. The average level for this time of year is 14.85 feet.

GCI escapee caught

A man jailed for murder who escaped from Glades Correctional Institution in September has been caught and returned to jail.

Jose Ramon Enriquez, age 35, was arrested in southern Bude County last Friday. Police say he was doing construction jobs on homes damaged by Hurricane Andrew.

Enriquez was serving a life sentence for killing another man in a robbery in 1984. Another man who escaped with Enriquez in September, Benigno Guerra, age 32, is still at large. He was serving a four year sentence for carrying a concealed weapon.

Building Blocks to have fall festival

Building Blocks of Belle Glade will be hosting a fall festival on Saturday, November 21 from 11 a.m. to 6 p.m.

There will be games for all ages plus food and drinks will be for sale. Door prizes will be awarded to lucky participants.

Building Blocks is located at 632 Covenant Drive, Belle Glade.

Hospice to meet

Members of Hospice plan to meet Thursday, November 19 at the Belle Glade Chamber of Commerce in the conference room.

Members of the public who would like to attend the meeting are invited to participate. For more information, call the Hospice office at 996-1285.

Who will pay the bill?

SWIM lessons expensive

The Everglades Restoration Funding Council, five business leaders from within the South Florida Water Management District area, will host a public hearing Thursday, November 19, from 4 p.m. to 7 p.m. at Belle Glade City Hall.

The purpose of the meeting is not to discuss the merits of the SWIM Plan, only who will pay how much.

While sugar farmers, government interests and a vast array of scientists argue the merits of the SWIM (Surface Water Improvement and Maintenance) Plan, less has been said about who will pay for it.

It is estimated that implementation of the plan will cost at least \$400 million.

SWIM, a plan to clean up the Everglades region by removing phosphorus from farm runoff water, calls for huge Storm-water Treatment Areas (STAs) to be built in the Everglades Agricultural Area.

The South Florida Water Management District, which produced the SWIM plan, said about 35,000 acres of STAs would be needed to adequately clean the water flowing from the EAA to the south.

At SFWMD meetings the question of who will pay arises frequently but is never answered. SFWMD is responsible

for implementing the plan. Decisions on who will pay will come later, they say.

A common misconception is that farmers will foot the bill, but that's not necessarily the case, says Ted Moffett, chairman of the funding council.

It's a foregone conclusion that all landholders in the EAA will help pay, including those in or near city limits of Belle Glade, Pahokee, or South Bay.

"If you are a landholder in the EAA, and use water, then yes, you're part of the cleanup area that we're talking about," said Mr. Moffett.

"The problem is with water discharged from the EAA, and that water, of course, is being used by everyone in the area."

The primary discussion so far has been whether or not those people living within SFWMD's region but outside EAA will also pay.

No estimates at to individual or per-acre costs were available.

Mr. Moffett says that at the Nov. 19 meeting he will give a brief overview of the funding council's activities to date, then listen to the audience.

"We're concerned about the people in the Glades as well as the suit," he said. "We don't want to drive the people out of business out there."

Osceola Sugar employee dies in farm accident

An Osceola Sugar Mill employee was killed last Thursday evening when the gate of a sugar cane wagon fell on his bulldozer, crushing him.

Llewellyn Lemonious, age 49, of 441 N. Coconut Road, Pahokee, was operating the bulldozer which was pulling a sugar cane wagon.

The wagon, which witnesses say had previously overturned, was being righted by Mr. Lemonious when it bounced and the forward momentum carried the wagon gate on top of the bulldozer.

The bulldozer has a partial

cab which collapsed under the weight of the gate. Mr. Lemonious was trapped and apparently crushed to death.

He was pronounced dead at the scene by paramedics and emergency medical services personnel.

The body was taken to the Palm Beach County Medical Examiner's Office where an autopsy was done.

The Occupational Safety and Health Association (OSHA), was notified, which is standard procedure when an industrial accident resulting in a fatality occurs.

Belle Glade gets recognition as the home of the first African-American doll

BY BRENDA BUNTING
SUN Editor

Four decades ago, Cartheda Konchellah of Belle Glade was one of the models for the first anthropologically-correct black doll mass-marketed in the United States.

Today, at age 43, she is seeing a renewed interest in the Saralee doll. One of the dolls is on display at the Zora Neale Hurston Roof Garden Museum at 325 S.W. 4th Street.

The doll was the brainchild of a Belle Glade woman and was made by the Ideal Toy Company. It was marketed by Sears Roebuck and Company in 1951.

The dolls featured the characteristic large upper lip, wide-apart eyes and broad nose of African-American children.

"It's so interesting," she said. "I am getting calls and there are articles in the Atlanta Journal and Constitution, the New York Daily News and in newspapers in California and

Audubon calls for more wetlands restoration

The National Audubon Society has announced a major national campaign to reverse the deterioration of the Everglades ecosystem and the Society will take the lead in the environmental coalition determined to save it.

Society president Peter A.A. Berle announced the appointment of Thomas D. Martin as the campaign's executive director. Mr. Martin is an environmental lawyer experienced in state government, community organizing, water

management, and natural resource issues.

The campaign's science team will be led by Dr. G. Thomas Bancroft, director of Audubon's Tavernier Science Center.

The Society also released a report suggesting that sugar cane and vegetable fields south of Lake Okeechobee be restored to wetlands and that some canals, levees, and pump stations in South Florida's flood-control system be dismantled. Flood-protection levees along the eastern border of the

Everglades should be strengthened so more water can be stored there, the report also says.

Society president Berle said "As taxpayers we have all invested in the destruction of the Everglades, through Congressional appropriations to the Army Corps of Engineers and subsidies to sugar producers. Private and public dollars must now be spent to bring about the restoration of natural flows. It's the last hope for the Everglades system."

U. S. Sugar Corporation is fined \$16,500 by DER

United States Sugar Corporation has, at morning muster, looking for a wrinkle, announced it will pay \$16,500 demanded by the smudged shoe, stray lint. It may be hard on the Florida Department of Environmental Regulation for minor infractions under the state's Resource Conservation Recovery Act.

The violations, including a citation of \$6,500 for "an employee observed smoking adjacent to the container of paint and thinner" and \$4,000 for mislabeled paint and thinner containers, are the result of surprise inspections earlier this year.

DER inspectors visited U.S. Sugar's Bryant Mill near Pahokee January 9 and the Clewiston mill January 14.

J. Nelson Fairbanks, president of U.S. Sugar, said he was "glad we had this inspection."

"I am determined that U.S. Sugar will set a standard for environmental responsibility," he said.

He said he thought of DER as a "drill sergeant."

Inspectors were looking for hazardous waste management rules violations. They cited the company for six violations, including three for paperwork not completed.

Inspectors found an 80-page report with two pages needing updates, some personnel training files lacking current documentation, and nine "land disposal restriction" forms missing.

The paperwork violations cost the company \$3,900 and a waste-paint can with a hole in the top cost \$2,250.

The inspection concluded that all hazardous wastes had been properly disposed of and no spillage had occurred.

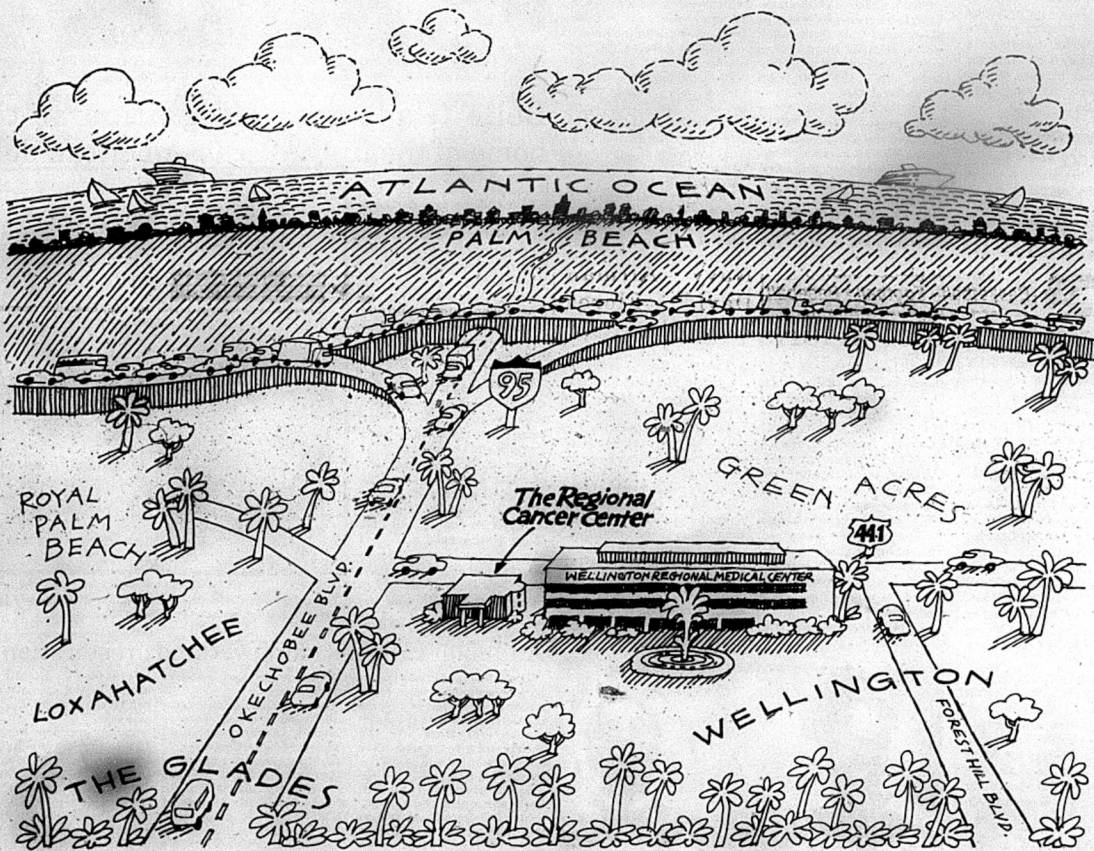

DER also assessed a \$1,000 fee to reimburse DER's cost of inspecting.

Here they are...Mr. and Miss Pahokee Middle-Senior High School Mr. is Markcus Hickman; Miss is Altonia Wells. The two were honored with selection Thursday night in a ceremony at the school. Also honored were Miss Seventh Grade, Otisla Harway, Miss Eighth Grade, Sabrina McElven, Miss Freshman, Roheba Hickman, Miss Sophomore, Tanisha Henry, Miss Junior, Shemaka Sellers, and Miss Senior, Martha Moore. The Court's Attendants are: Seventh Grade, Robbie Banks; Eighth Grade, Brandi Ingram; Freshman, LaToya Queen; Sophomore, Eugenia Elijah; Junior, Shemaka Sellers; and Senior Attendant, Tashika Williams. Ruby Ann Arias was named Homecoming Queen.

New Orleans."

The Saralee doll was the invention of Sara Lee Creech, a white woman who is now 76 years old. Ms. Creech lived in Belle Glade for many years, but now lives in Lake Worth.

In the 1940's Mrs. Creech owned a florist shop in town. The story is told that she was leaving the post office one day when she noticed two children playing with their dolls.

The girls were black. Their dolls were white.

"A black child playing with a white doll was not getting the correct self-image," she said. "It was important for all children - black and white - to see a quality black doll, a doll representing the beauty and the character, the good features, of a black child."

She decided to do something

about it. She invested her own money and got an award-winning sculptor from New York, Sheila Burlingame, to design the doll.

The rest of the story is history. Sears' board of directors agreed to market the doll.

On Oct. 22, 1951, Eleanor Roosevelt had 150 special-edition Saralee dolls on display at a tea in New York City's Park Sheraton Hotel.

The doll was written about in the Time and Newsweek and in Life magazine.

Eight Belle Glade children were used as models for the doll. Several of the models still live in Belle Glade.

Mary Owens Evans is now secretary of the Hurston Museum board, Willie James Thompson and Constance Morgan Gonzalez are board members, Lavoise Taylor Smith is co-owner of a local funeral home and Mrs. Konchellah is the board's president and chief executive officer.

Navy Airman David Flores completes Navy mechanic course

Navy Airman Apprentice David Flores, son of Sylvia S. Flores of South Barfield Highway in Pahokee, recently completed the Navy's Basic Aviation Structural Mechanic Course.

During the course at Naval Air Technical Training Center, Naval Air Station Memphis, Millington, Tennessee, Flores received instruction on the inspection, maintenance, and repair of aircraft frames and exteriors as well as blueprint reading, corrosion control, and metalworking.

He has reported for duty at Naval Air Station, Sigonella, Italy.

The 1991 graduate of Pahokee High School joined the Navy in October 1991.

HEADACHES

Also called sick headaches, a typical migraine attack, begins with a dull throbbing ache in one area of the head and progresses to a piercing pain. These torturous attacks may be preceded by a change in the field of vision - a flickering before the eyes, flashes of light or a partial blocking of the vision. They are sometimes accompanied by nausea or vomiting. They are seldom relieved by aspirin. Their duration is from 2 to 48 hours.

Picture this

Good morning. I hope I'm not going to offend anyone, but I thought this was kind of cute.

Picture this after Clinton being elected to the White House; Hillary not in the kitchen baking cookies, but out in the Rose Garden planting flowers, since they already planted "the Bushes". Look! There's "Slick Willie" out there in the garden smoking...but not inhaling, with a smirk on his face.

It's okay to take care of the yard, but will the House be taken care of? We shall see.

Thank you.

Walking in the rain

Yes, I'm a concerned parent. I'd like to know why do we have to puddle and splash all in the flood in Palm Beach County. Lake Worth was out of school today because of the flood.

Why are we not considered?

Editor's note: We asked Chuck Shaw, West Area Superintendent, to reply to this inquiry. He said school was closed in Lake Worth because the campus was flooded and the students were unable to get to classrooms. Since there were no problems like that in the Glades, there was no discussion about closing the schools.

Letter to the editor

Dear Editor:

I have never written a letter of this kind before, because, I just didn't figure my opinion counted too much, but this is one time I had to say something.

In response to the letter to "Speak Out," Keep Church and State Separate - I have to assume the person who heard the sermon that Sunday heard it at the same place I did, especially since the Father, the Son, and the Holy Ghost were stressed. That sermon was in the Good Shepherd Church of God in Pahokee.

I just thank God we have a pastor such as James Brewer. He is not afraid or ashamed to speak out on anything contrary to morality and God's Word. In this day and age, a lot of

pastors are afraid to even mention the Blood of Jesus, because it might offend someone in the congregation.

Brother Brewer preaches the whole Bible, undivided and if sometimes some things don't sit right with us, I think the problem is within ourselves. On the issue of this letter, I can't see how anyone who calls themselves a Christian could have gotten upset over Brother Brewer's remark "Don't vote for Bill Clinton."

After all, he has been a big concern for every Christian I have talked to. He is very much for abortion and also for homosexuals, and a draft dodger. Why wouldn't Christian leaders speak out against him?

Thank you Brother Brewer for your boldness and honesty. I

wish whoever wrote the letter would have had the guts to go to you instead of sending an unsigned letter to the paper. I've had a couple of those and it doesn't speak much for the character of the person who writes them, or the motive.

Dear "letter writer," if Bill Clinton is part of this government, I wouldn't want him telling me how to get to Heaven either because to tell the truth, I don't think he really knows. It surely isn't by killing babies. I for one am proud of our pastor, even though we have not always seen eye-to-eye on everything. I respect and admire him for his integrity and rock solid beliefs. Right on Brother Brewer!

Four million people in U.S. suffer from Alzheimer's disease

Patience required....Alzheimer's patients require patience and understanding. Shown standing in the center is Mark Cornette, Coordinator for the Patient and Family Services Division of the Alzheimer's Association. Mark helped the patients decorate a pinata recently. He said the association is planning to open a facility in Pahokee in December at the Good Shepherd Church of God.

Many families struggle with caring for someone with memory problems on a day-to-day basis. Since November has been designated as National Alzheimer's Disease Awareness Month, this article is dedicated to memory loss, Alzheimer's Disease, and the related disease/disorders.

Alzheimer's Disease is an actual disease process which results in destruction of brain cells, causing memory loss, impaired judgment, confusion, mood swings, hallucinations, behavior problems, physical decline, and eventually death.

Some memory loss and decline of abilities occurs naturally as we all age, but these symptoms are the result of some abnormal process when they begin to effect one's independence and ability to care for one's personal needs. Alzheimer's Disease is the most common form of what are referred to as the "dementing illnesses" or "organic brain syndromes". It strikes an estimated 4,000,000 people in the United States and an estimated 48,000 in Palm Beach County. When those who provide care to the stricken patients are counted the members of affected persons are astounding. Other common dementing illnesses are Parkinson's Disease, Huntington's Disease, Multi-Infarct Dementia, Pick's Disease, Creutzfeldt-Jakob Disease, and Normal Pressure Hydrocephalus. All of these diseases/disorders

are progressive, irreversible, and incurable. Other conditions that cause these same symptoms include reactions to medications, depression, thyroid problems, brain tumors, and other physical problems that may be curable.

The Alzheimer's Association Greater Palm Beach Area Chapter, Inc., is the local presence of the national Alzheimer's Disease and Related Disorders Association, a private, not-for-profit, voluntary, health care organization. There are 215 Chapters of the Association will be opening in Pahokee in December within the facilities of Good Shepherd Church of God, on Bacon Point Road. A families in finding diagnosis, planning for care, managing legal/financial issues, seeking education, and being supported with their struggle. Support Groups will be developed throughout the Glades area. The Association's ID Locator Bracelet Program, provided in partnership with the Sheriff's Office, is already available to families. Finally, the Association will be opening its fourth Specialized Alzheimer's Day Care Program at the church in early 1993.

If you or someone you know is providing care to a person with what sounds as if it may be Alzheimer's Disease and/or a related disorder, call the Alzheimer's Association at 407-478-3120, 8:30-5:00, Monday through Friday, and be sure to look for the Association's telephone number in Pahokee, which will be available very soon.

Rain reigns...Glades Central Community High School's Homecoming Game was sure enough a wet one, as these fans will agree. But the only people who really were bothered by the water were the Homecoming King and Queen and Court. Those festivities were rained out. So was Atlantic.

Outta my way!!! Glades Central's #91, Harold Smith, refuses to stop in this picture from Friday night's 37-6 win over Atlantic High School. Smith, a fullback and defensive lineman, picked up 45 yards in the game. Coach Rick Casco says he and the team are looking forward to the "showdown" at Clewiston tomorrow (Friday). "We need to win it," he said. He added the team is playing real well now and the game will be a good one.

Raiders go surfing on Atlantic, 37 - 6

Glades Central's football team knows something not everybody else knows: You're supposed to win your home games.

The Raiders are undefeated at home in eleven straight games.

Friday night, for Homecoming, they beat Atlantic 37-6 in the rain.

Atlantic got on the board first with a three-yard run by Marquis Hall, but the

PAT kick was no good.

The Raiders came right back with six points on a pass from Jajuan Seider to Reidel Anthony, and the defense allowed Atlantic's Eagles no more points.

The game might have felt like a letdown for Taylor, who only scored one touchdown, on a 73 yard run down the sideline.

O.C. Davis intercepted a pass and took it

26 yards for a TD.

Chavaya Shannon scored on a three-yard pass from Seider.

Francilme grand-Pierre kicked four of five extra points and one field goal.

The Raiders face Clewiston tomorrow night (Friday the 13th) at Clewiston, in a game that will decide the district title.

Lady Raiders

Glades Central's Lady Raiders defeated Pahokee's Lady Blue Devils 15-11 and 15-3 to take second place in the District 14 - 2A volleyball tournament Thursday, November 5.

The girls lost to Clewiston 3-15; 15-12; 8-15.

Anjeanette Gilbert was again outstanding, with 42 spikes, 15 defensive blocks, and four ace serves.

Ruth Crawford had 15 service points, three of which were aces.

Gators win in overtime

Glades Day's Gators won in overtime Friday night, beating LaBelle's Cowboys 40-34.

Miles Griffin scored both the first and last touchdowns in the game for the Gators, scoring on a nine-yard run in the first quarter and on an eleven-yard run in the fifth.

The Cowboys answered Griffin's first-quarter TD with one of their own, but the Gators came right back when QB Graham Chancey threw a nine-yard pass to Hani Barhouah for a score. Griffin scored first in the second quarter, too, when he ran four yards into the end zone.

LaBelle answered with two more TDs. After the half, LaBelle scored again, then Tommy King ran the kickoff back 31 yards for a score. Griffin scored again in the third quarter on a two-yard run and the Gators went into the fourth quarter ahead, 34-27.

LaBelle scored on a 21-yard run in the fourth quarter and tied the game at 34.

Pahokee loses to Jupiter's Warriors

Pahokee's Blue Devils held the Jupiter Warriors to only ten yards in the air Friday night, but the Warriors held the Blue Devils to only six points on the board.

Blue Devil head coach Mark Kaczanowicz said he was pleased with his 2A team's performance against the 5A school.

Both teams went into the non-district game looking ahead: Tomorrow, the Warriors face Palm Beach Gardens for the District 10-5A title, and the Blue Devils will host Fort Myers-Bishop Verot in a game that could decide the District 7-2A title.

Jupiter got on the scoreboard first when fullback Travis Ratliff ran for one yard with four minutes left in the first

quarter. With 1:29 left in the first half Jupiter made it 13-0 when halfback David Runner carried from the two-yard line.

Pahokee finally got on the board when wide receiver Andreall Johnson found Denorse Mosley on a 20-yard option pass.

The Blue Devils tried for two, but failed.

The Warriors weren't through, though, and scored again on a 22-yard field goal by Eric Meng with 7:12 left.

Pahokee drove inside the ten-yard line with a minute left, but was unable to score and turned the ball over on fourth-and-goal with 23 seconds left. QB Terry Barber had 111 yards on 10 passes and was intercepted once.

Crusaders
Rammed

Christian Day's Crusaders might have thought they were seeing things Friday afternoon when John Carroll's Jabarey McDavid got the ball.

Sadly, that's about all they could do - see him.

McDavid had 148 yards and three touchdowns on 19 carries, leading the Rams to a 27-8 win over Christian Day.

The Rams scored first when McDavid made a 55-yard run in the second quarter.

The Crusaders came right back with a 59-yard TD pass from QB Chris Cunningham to Marcel Bowens. Bubba Wilson carried the PAT in for two more points, and the Crusaders led at the half, 8-7.

But three turnovers in the second half led to three Rams touchdowns. McDavid scored on three-yard and two-yard runs, then Steven Neill threw a 36-yard touchdown pass to Steven Branch for the final score in the game.

McDavid is a freshman this year...

Tiger by the tail...Keith Hilyer, #88, gets a hand on Ram #1, Jabarey McDavid. Hilyer and the rest of the Crusaders are probably still having nightmares after watching McDavid rush for 148 yards and three touchdowns against Christian Day Friday afternoon at Pioneer Park field. John Carroll's Rams beat the Crusaders 27-8. McDavid is a freshman.

Make a left here...Junior varsity Gator Stacy Cox cuts hard left and heads for the end zone Thursday night as Glades Day's JV beat Moore Haven, 22-8. Cox scored one touchdown, as did Jackie Garrett and Brad Seider. Patrick Allman carried two two-point PATs in. The win brings the season for the JV Gators. They finish up 7-1, and outscored their opponents 183-56.

Students of the Week

The on-going program of Students-of-the-Week for the first nine weeks includes these deserving sophomores: Corellus Royal, Wilda Juddy, Emmision Simmons, Laquor Bitta, Roger Williams, Edna Legister, Henry Green, Tekelia Padgett, Nathaniel Cummings, Sharnelius Colbert, Israel Jimenez, Rosa Lopez, James Jackson, Mary Pettitohomme, Ronald Bryant, Vanisha Brown, JayJuan Seider, and Dorothy Bennett.

More deserving students will be featured next week for their academic endeavors and contributions.

representative on Palm Beach County's Academic Games Equations team at National in the spring. Good luck, John!

SECME

GCCHS has an active SECME (Southeastern Consortium for Minorities in Engineering) Club. The program includes competitive activities such as writing essays, bridge building, mouse trap cars, kite construction, field trips, visitations to companies, and other special projects.

The Club develops students' interest and encourages success in math or science related fields. Representatives from businesses, industries, and universities work closely with the local program.

Students have opportunities to obtain scholarships and assistance from professionals in the technical fields of their choice. Twenty-two schools in Palm Beach County participate.

Students interested in SECME membership should contact Mr. J. Reynolds or Mrs. L. Smith.

Last Thursday, October 29, Glades Central students participated in a nationwide Student Mock election. Despite the county-wide results (Clinton 36 percent, Bush 34 percent, Perot 30 percent), Clinton scored an overwhelming 64 percent of the vote at Glades Central with Bush trailing at 19 percent, and Perot at 17 percent.

When asked how he felt about the election, Frank Sager stated, "Well, I voted for Clinton, but I don't honestly feel that any of the candidates were qualified. I think that Perot is too inexperienced, and Bush has had his chance. I think it's time to give someone else a try."

Bob Graham was the winner in the U.S. Senate race in the mock election at Glades Central. He received 66 percent of the vote with Bill Grant scoring only 34 percent of the vote.

In comparison with the results of the national and state elections, the outcome of the mock elections was fairly accurate. While the percentage of the popular vote varied, the winners were the same in both elections.

The second grading term is over for Glades Day School students and parents should be receiving the results of the last six weeks in the mail sometime next week. Hope it's good news for everyone!

National Honor Society students have been busy the past couple of weeks in area service projects. They sponsored a "Food for Families" campaign at school, requesting faculty and students to donate canned goods and boxes of prepared food for needy families.

The homeroom class which donates the most food will receive a free breakfast of donuts and milk.

Another project NHS students took on was helping with the American Red Cross Fashion Show Saturday, November 7. The members, decked out in red and white, worked as servers during the luncheon.

Parents of volleyball and football athletes (and cheerleaders!) need to mark two dates on their calendars - Monday, November 16 and Wednesday, December 2.

A photographer from Moya

Studios is coming this Monday to take individual and team pictures of the athletes. Students interested in ordering pictures may pick up a form from the high school office.

The fall sports banquet will be held Wednesday, December 2, at 7 p.m.

Due to popular demand, we will again serve dinner before the awards. Parents are asked to send \$5 per adult to cover the cost of the banquet and also contribute a covered dish (salad or vegetable) to serve 10-12 persons.

Due to limited seating, only parents and athletes will be able to attend.

Congratulations are in order for the JV football team, who beat Moore Haven last week to finish the season 7-1.

The only blemish on their record was a late-season loss to King's Academy (the JV Gators beat the Lions the first time around).

Way to go, guys; you have a record to be proud of!

We would also like to congratulate the volleyball teams - the junior high, who had a winning record (5-3) in their first season of play; the JV (8-9), and the varsity, (10-15).

The girls provided some exciting moments of play, including thrilling wins over Clewiston, Moore Haven, and Christian Day.

And last, but certainly not least, we would like to commend GDS graduate Tammie Betzner, one of the recipients of the Judge Don T. Adams Memorial Scholarships. Tammie, who graduated in 1987, is in her second year of law school at Stetson University.

We wish her the best of luck!

The Christian Day School Crusader Choir will begin its ninth annual tour Sunday, November 15.

Forty students out of the Crusader Choir and six chaperones will make their first concert stop at Shands Hospital in Gainesville this Sunday.

They will then travel to

Radcliff, Kentucky, on Monday. Tuesday, they will sing at Shriner's Crippled Children's Hospital in Lexington, Kentucky, and at a Youth Explosion with other groups at the Stithon Baptist Church gymnasium in Radcliff.

Wednesday, the choir will be in Radcliff with concerts at Dove Academy that morning and at Stithon Baptist Church at 7 p.m.

They'll travel to Knoxville, Tennessee, on Thursday, and will sing for the homeless of Knoxville that evening.

Friday, the choir will be quite busy with a morning concert at Royal Care Nursing Home in Pigeon Forge, Tennessee. They are especially excited about the opportunity to do two shows that afternoon at Dolly Parton's Dollywood in Pigeon continued on page 9

Homecoming, Raider Style

Uncle Sam wants you...and you and you...This particular Uncle Sam has a day job, too. He's Jim Person, and is a second grade resource teacher at Pahokee Elementary School when he's not skating down Main Street in Belle Glade during Glades Central Community High School's Homecoming Parade. The parade lined Main Street with watchers of all shapes and sizes and thrilled them all.

Five Star Youth Club... I'd have given them more than five stars, myself, but nobody asked me. These lovely ladies and ladies are seen here marching in the Homecoming Parade Friday afternoon. The girls got their spanking new sparkling uniforms the morning of the parade. This is their first parade. Ain't life grand! The group is from Rosenwald Elementary School in greater metropolitan South Bay.

SUNPHOTO BY CHIP NEWTON

Glades Central Community High School sure does know how to put on a show, eh? Eighty-nine parade entries, forty-one bazillion happy kids lining the streets, then the Raiders bathing in a victory over Atlantic High School's War Eagles.

The senior class float won first place in the Glades Central Class category; Pahokee Elementary won first in Other Schools; Wee Care Day Care took the trophy for best community entry. Parade Marshal was Alma Henry. Mr.

and Miss Glades Central were Willie Dunning and Jaime Brown. Their court consisted of TeMakin Dowdell, Senior Attendant; Mark Crosbie Mr. GC runner-up; Nicode Riggins, Tequila Nelson, and April Moreland, attendants.

Stand in front of this a minute...and see if you still want to be a news photographer. It sounds good, but it's **LOUD**, thanks to Glades Central's Billy Jackson. Jackson and the rest of the Raider Band performed during halftime as well as before the game Friday night. Rain precluded some of the festivities, but not the great music by two great high school bands.

"Veteran's Day"

What does "Veteran's Day" mean to many? "Veteran's Day" is the day when people, both men and women, who served in the Army, Navy, and various levels of the Army are honored by their loved ones and other Americans around the United States.

To many of us, Veteran's Day has special meaning because it

brings not only respect for those deceased but those living because all of them deserve our respect.

It's encouraged that everyone please show their respect and honor for all veterans. To show our appreciation, Pahokee Junior Senior High School has scheduled a series of events to show our respect and honor we feel for the veterans. Everyone is encouraged to participate and show their support.

The following is a list of events:

The Social Studies Department, together with the school newspaper, The Blue Devil Tribune, canvassed the administration, faculty and staff to forward the name(s) of family members (as well as themselves) who are military veterans and/or served in past wars. The same was asked of the entire student body.

Recognition:

Each name will be written on a "flag design" by a class of ninth grade American Government students and placed in the windows of the front office for one week.

The names of the veterans will be distributed to all social studies classes for students to write the name of a veteran on a "flag design" to be worn November 11.

Beginning Monday, November 8, through Friday, November 13, the names of the veterans and their branch of service will be announced during the morning announcements.

All the names of the veterans will be published in the fall edition of The Blue Devil Tribune school newspaper November 6.

Mr. Palm's student responses to the meaning of Veteran's Day will be published in the Blue Devil Tribune November 6.

Social Studies class lessons November 11 will involve a discussion regarding the importance of Veteran's Day.

At 11 a.m., the flag will be lowered to half-mast by Mr. McComb's (an active military member of the National Guard) and students; Taps will be played by two band members, and the activity will be televised to classrooms.

Knightly news cont. from page 7
Forget!! (Wonder if Dolly will be in town?)

And, at last, a long-awaited day off Saturday in Gallatinburg, Tennessee. Hopefully, they will be lucky enough to see snow this year.

Sunday the choir will make its way to Asheville, North Carolina, for their final concert at the Veteran's Hospital. Monday will find the weary and well-traveled Crusaders home.

Besides their nine-concert settings, the tour choir will also visit the University of Florida, Vanderbilt, University of Kentucky, Eastern Kentucky University, and the University of Tennessee.

Please remember them in your prayers.

Margaret Kirchman Whitlock, 70, died Monday, October 26, in the Charles W. Gerstenberg Hospice Center in West Palm Beach.

A native of Moore Haven, she was born October 6, 1922, to the late Fred William and Minnie Meyer Kirchman.

She spent most of her life in Belle Glade and graduated from Pahokee High School. Prior to her ill health, she was employed by J.R. Faulk Produce Company. She was a member of Everglades Presbyterian Church in Belle Glade where she served as an Elder and for many years was the church organist and choir director.

She was married to the late Wilbur Keith "Spence" Whitlock who preceded her in death May 21, 1984.

She is survived by sons Brooks Keith Whitlock of Oakland, California, Edwin Keith Whitlock of West Palm Beach, and Fred Wilbur Whitlock of Blacksburg, Virginia; brother August Kirchman of Belle Glade; four grandchildren and two great grandchildren.

Services were held Friday, October 30, at 11 a.m. at Everglades Presbyterian Church in Belle Glade. Rev. Fred Loutsenhiel, pastor, officiated.

Interment was in Queen of Peace Cemetery, Royal Palm Beach.

Pallbearers were Jeff Kirchman, Jerry Kirchman, Peter Kirchman, Kenneth Kirchman, Keith Whitlock, and Mike Wade.

Honorary pallbearers were

Paul Schroppe, Richard Murray, James E. "Smitty" Smith, Irvin Zump, Douglas Thompson, and Rump Myers.

James A. Bennett Funeral Home in Pahokee had charge of arrangements.

Giese

Milton W. Giese, 83, of Clewiston, died October 28. Mr. Giese is survived by his wife Edna, to whom he had been married for 56 years; sons, David Giese, Herbert Giese, daughter, Phyllis Wilkinson; sister, Lucille Thompson. He had six grandchildren and two great-grandchildren. Service was held Saturday, October 31, at The Funeral Home Chapel with the Rev. S. J. Davis officiating.

Interment followed at Ridgeway Cemetery in Clewiston.

Garcia

Gilberto Garcia Sr., 60, of Belle Glade, died October 30. He moved to Florida with his family where he started an agriculture trucking firm 28 years ago. Mr. Garcia was

preceded in death by his wife Colia Garcia in March, 1991. Mr. Garcia was a veteran of the Korean War, where he received war medals, and was honorably discharged. He was a member of St. Philip Benizi Catholic Church.

Mr. Garcia is survived by children; Anna and Oscar Sustaita, Clewiston, Gloria and Lemans Rodriguez, South Bay, Grace and Reynaldo Almagaz, Loxahatchee, Fidencio and Rosa Garcia, Fort Myers, Donna & Gilberto Garcia Jr., Belle Glade, Janie and Luis Herrera, Huston, Texas, Arturo and Elma Garcia, Okeechobee, Danny and Estela Garcia, Lake Worth, David and Estela Garcia, Belle Glade, Carol and Israel Gonzales, Delray Bch., Jeannie and Manuel Leal, Delray Beach, 36 grandchildren and one great-granddaughter.

Mass was held at Saint Philip Benizi Catholic Church November 2. Father Louis Asato officiated. Interment followed in our Lady Queen of Peace Cemetery, Royal Palm Beach. Mixon Funeral Home was in charge of arrangements.

For Peace of Mind, Get Your Personal Family Record Booklet.
As uncomfortable as it may be, we are all facing our own funerals. While you can't protect your loved ones from that loss, you can take steps to ensure that they are spared as much of the burden as possible. A Personal Family Record maintains all the important family and personal information. As a service to you and your family, we have prepared a free Personal Family Record. This booklet is a valuable plan to follow when thinking through all the arrangements that will need to be made at the time of your death. Grassy Waters

Pahokee Police chase pushers down Main Street

Royalty reigns... Obviously a team of professional athletes, the ringers pushing the Royal's Furniture entry in the Great Bed Race Saturday at Grassy Waters Festival overwhelmed the competition, leaving the ladies from Xi Beta Tau standing at the starting line. Of course, the ladies were busy talking and had to be officially notified that the race had started... In their second race, the Royalty barely edged out the Pahokee Police Department for the championship. I'd drive real careful for a while if I had anything to do with Royal's, myself.

Grassy Waters festival a roaring success

Well, the wind roared.

And, nobody was hurt when the Pahokee Fire Department's entry in the Great Bed Race went astray, broke a leg, and had to be helped from the course.

Firemen hosed the bed down, in case.

And Pahokee Police officer Doug DeStefano got back from near-Belle Glade after the bed-pushers let go of the bed as it crossed the finish line and it

rolled, and rolled, and rolled, down past the police station and on, and on, and on.

And Rev. Patricia Wallace demonstrated a slick new style of volleyball playing which seems to involve a lot of falling down in the sand.

Some sort of a ruse, I guess. I didn't win any of the prizes, but Lawanda Everett did. She won the VCR. Paulette Mills won the bicycle, and Olivia

Green and Dot VanLandingham won the watches.

The Incredible Great Bed Races were won by Royal's Furniture, with Pahokee Police Department coming in second.

Third and fourth places were won by Everglades Memorial Hospital and Xi Beta Tau. The Pahokee Fire Department, heh, heh, heh, won the Stop, Drop, and Roll Award, for successfully turning their bed over on Main

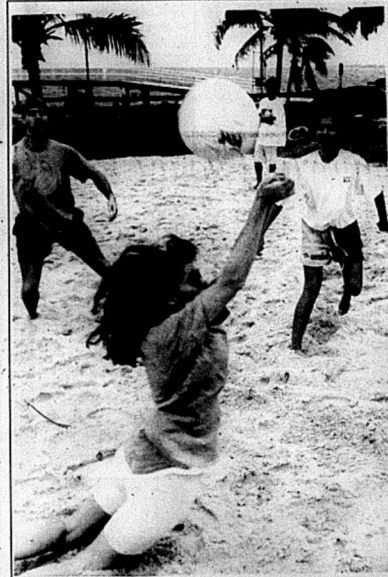

Street.

Airport Parking Garage (?) won the volleyball tourney, and Good Shepherd Church of God was second. Maria's Maniacs, Billy Rogers' Renegades, The Dream Team, and CYCI finished in that order. John Provenzale won the corn counting contest, and Jean Bell won the Bible given by the Nazarene Church. See you next year!

What's wrong with this picture... If you guessed "nothing", you're absolutely right. This youngster is SUPPOSED to be upside down, in midair. He's Emanuel Hendrix, a student at Canal Point Elementary School, and he's part of the gymnastics team there. The team performed Saturday at Grassy Waters Festival and really wowed the crowd. The Tumblers are available for shows and festivals, according to Tess Trueheart, Top Tumbler at C.P. Elementary.

Lying down on the job... In volleyball, they call it digging. Above, Jill Humphrey dives for the ball and sets it to Greg Bradshaw as Mireya Delacerda comes in to help. The three are part of the Renegades, a Belle Glade volleyball team. They're seen here playing the team from Concerned Youth for Community Involvement Saturday at Grassy Waters Festival. The Renegades finished fourth in the tourney.
